TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hollis in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Hollis on Tuesday, the Twelfth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the reports of the Selectmen and other Town Officers and Committees.
4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
5. To see if the Town will vote to accept State Aid for the Construction of Class V roads and appropriate the sum of \$1,296.59 to pay the town's share.
6. To see if the Town will vote to distribute blank inventories at the time of appraisal.
7. To see if the Town will vote to assess a fine of \$.25 on each poll tax not paid on December 1, 1968.
8. To see if the Town will vote to raise and appropriate the sum of \$25.00 to be expended in co-operation with the N.H. Forestry and Recreation Commission for Forest Fire Protection.
9. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be placed in the Capital Reserve funds to be used towards the purchase of a fire truck.
10. To see if the Town will vote to allow the withdrawal of all funds in the Capital Reserve Fire Truck Fund to be used for the purchase of a Fire Truck; any unexpended balance to be returned to the Capital Reserve Fire Truck Fund.

11. To see if the Town will vote to allow the Board of Fire Engineers, with the Selectmen to purchase a Fire Truck, the cost not to exceed the amount of money to be available in the Capital Reserve Fire Truck Fund.

12. To see if the Town will vote to raise and appropriate the sum of \$5000 to be used to purchase the 4 1/3 acre Beebe Land on Depot Road.

13. To see if the Town will vote to authorize the selectmen to purchase a Bucket Loader not to exceed \$18,000 with a down payment of \$5000 this year, balance payable over a 5 year period with interest.

14. To see if the Town will vote to authorize the selectmen to raise and appropriate the sum of \$2000 to be placed in the Capital Reserve Grader Fund.

15. To see if the Town will vote to raise and appropriate the sum of \$800 to be added to the Police Cruiser Capital Reserve Fund.

16. To see if the Town will vote to allow the withdrawal of all funds in the Capital Reserve Police Cruiser Fund to be used for the purchase of a new 1968 Police Cruiser, any unexpended balance to be returned to the Police Cruiser Capital Reserve Fund.

17. To see if the Town will vote to allow the Selectmen to purchase a new Police Cruiser, the cost not to exceed the amount of money available in the Police Cruiser Capital Reserve Fund.

18. To see if the Town will vote to raise and appropriate the sum of \$500 to be placed in the Town Shed Capital Reserve Fund.

19. To see if the Town will vote that beginning with the Town Meeting of 1969, thence forward, the method of choosing members-at-large of the Town Budget Committee shall be by election of the Town Meeting as opposed to the method employed presently and in the past viz: appointment by the moderator.

20. To see if the Town will vote to approve the addition of the 16 acre Noah Hardy Lot to the Town Forest.

21. To see if the Town will vote to approve the transfer of the management of the 3 acre Tenney Meadow Lot to the Hollis Conservation Commission subject to the aims and purposes of the Commission.

22. To see if the Town will authorize the Board of Selectmen to appoint a committee which will help the Town participate in a state-wide contest to improve the appearance of New Hampshire.

The Polls will not close before 7:00 P.M.

Given under the hands and seal, this 24th day of February in the year of our Lord nineteen hundred and sixty-eight.

COMMUNICATIONS CENTER

To the Selectmen,

The Police Department received 1679 telephone calls at the communications center during 1967. 736 required police attention, 23 were ambulance services, 112 for the dog officer. The remainder were for miscellaneous information. The Communications Center also received 46 requests from vacationing residents for police checks on their homes.

January was the only month with less than 100 calls. Peak month was August with 181 calls. 2337 radio calls were logged.

On the Fire Department telephone 379 calls were received. 58 reported smoke or fire, 8 were for the first-aid or rescue squad, 12 for Mutual Aid, 2 Civil Defense, the remainder were miscellaneous. 297 radio calls were logged.

Respectfully submitted,

Rheta McGilvary

During this year 1967 your Police Department has had the opportunity to again attend the Police Seminars at St. Anselm's College in Manchester, New Hampshire. We feel fortunate to be able to receive instruction and knowledge from instructors who are experts in crime prevention.

The responsibilities and complaints continue to increase each year. We ask you for your continued cooperation in assisting your Police Department to combat the ever increasing need for Law Enforcement against individuals who have no respect for public or private property.

The Mutual Aid system at Milford Police Headquarters has proven very valuable in assisting us in our numerous and variable police duties during this past year.

The success and existence of law enforcement is properly and primarily a local responsibility supported by cooperation, understanding and good public relations.

We hope by increasing our road patrol activities that we can more efficiently combat and reduce the numerous criminal violations that are increasing each year. It is urgently advised that you notify the police department when leaving your home for weekends or vacations, that it may be checked to discourage against possible vandalism.

The Hollis Police Department wishes to extend their gratitude for the cooperation received this year — which helps to make our job easier and makes this a better community in which to live.

HOLLIS POLICE DEPARTMENT
KENNETH R. BENNETT
Chief of Police
Hollis, N. H.

REPORT OF THE FIRE DEPARTMENT

The Hollis Fire Department continues to reflect the growing and changing population. There were 46 calls requiring active response. There were only 3 chimney fires while 9 calls were received for use of the resuscitator, also a bomb hoax call and another call to rescue a dog from Flint Pond after it fell through the ice. Mutual Aid assistance was sent twice to Nashua, twice to Milford, twice to Brookline, and one trip each to Amherst and Pepperell. There were 4 Town Dump fires and 5 brush and grass fires, 2 car fires, 2 tractor fires and 1 truck fire. Help in checking out causes of excessive smoke in houses was made 4 times and two electrical fires were extinguished. Seven building fires were successfully put out without any total destruction of the property involved.

An excellent course in Fire Suppression was given to 25 Fire Department members by Capt. Andrew Blanchette of Nashua under the N.H. Department of Education program. Classes were held for seven weeks averaging 4 hours per lesson during which a house was gradually burned. The building was donated by Robert Frank of Nashua who has constructed a new home nearby.

We would like to have other buildings to work with and from which we could gain experience but not as bonfires.

Mrs. Lucy Wright has presented to the Fire Department, two volumes of handwritten transcriptions taken from records of the Fire Department, from Town Reports and fire news printed in the "Hollis Times" and other newspapers, covering a period of over 100 years. Along with these was a set of pictures of former fires.

Mrs. Wright and the Department would appreciate any stories or incidents of former times.

We are also anxious to build up a collection of pictures of the Hollis Fire Department of any nature—movie films, snapshots or slides. We would be glad to make copies or accept gifts of originals.

The men are constantly training without cost to the Town. They are ready and willing to answer any emergency call to assist in any type of accident, first aid assistance or rescue of any type as well as fire calls of any nature. However, we do not make a practice of pumping out wells or cellars unless a real emergency exists nor do we take cats out of trees.

We sincerely appreciate the assistance of everyone in reporting emergencies and in helping prevent fires.

**REPORT OF FOREST FIRE WARDEN
AND DISTRICT CHIEF**

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. — 5:00 P.M. and then only with permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material — use the ashtray.

WINTHROP H. HANNAFORD
District Chief

WARREN H. TOWNE
Warden

REPORT OF THE TOWN FOREST COMMITTEE

The regular program of timber stand improvement and thinning of unwanted trees was continued. Kurt Olson and "Ted" Chamberlain did the improvement work. They pruned the lower limbs from selected crop pine trees and killed any nearby trees that were interfering with them.

Work was completed in the area west of the Parker Pond Swamp. Kenneth Marvell and his helpers did a lot of work here in 1963 — 65. Work was started on the south-east shore of Duncklee Pond to complete a project started here several years ago.

Incidentally, the committee was checking this area last fall and one of Ken Marvell's former student helpers came by. He was showing his wife the contrast between the stand that they had worked on several years ago and nearby stands that had not been touched.

Howard Parkhurst thinned, for the second time, the area north-west of the five corners and east of the State Park land.

Logs of box quality were sold to the Hopkins Box Shop in Milford. The best logs were sawed out and Howard struck out the boards near Robert Hayden's house. There are about two thousand board feet in the pile at the present time. After they are seasoned some will be sold and some will be used at the High School Shop.

Several boundary lines were checked. A cement post was used to replace a rusted iron pipe on the line between the Dickerman Lot and Robert Hayden's land.

One of the several "Lost Tax Lots" that the town now owns is the "16 Acre Noah Hardy Lot." We recommend that this lot be added to the Town Forest. It adjoins the Wallingford and Stearns Lots on their south side and is on the east side of the Causeway Road.

We recommend turning over to the Conservation Commission the profit from our 1967 operations and the proceeds from the sale of the "Lost Tax Lots".

HENRY HILDRETH
Clerk

BUILDING INSPECTOR'S REPORT

Permits issued through the Office of the Building Inspector for the year 1967 included the following:

25 Single family residences	2 Hen houses
22 Additions to residences	3 Horse barns
6 Farm buildings	4 Swimming pools
9 Mobile homes	4 Accessory buildings
5 Garages	1 Sign
4 Car ports	4 Commercial building additions
5 Storage buildings	1 Commercial building
1 Green house	
37 Water Supply or Sewage Disposal Systems	

The number of permits for the construction of new residences issued in 1967 was about 10% below the average of the last 5 years, even though the average included the abnormally low year 1966, when the availability of credit restricted new building.

The average quality of the new homes being constructed at present exceeds that of previous years, which in turn reflects the effect of Hollis zoning regulations on the type of person choosing Hollis for the location of a residence.

There has been very little commercial construction in the town up to the present time and I think the zoning regulations also have some influence on the location of businesses in Hollis.

From the standpoint of a more favorable tax rate in the town, I believe that it would be well for Hollis to consider changes in the zoning regulations that would create a more favorable environment for the growth of certain types of industry in the town.

HIGHWAY DEPARTMENT

Winter always brings problems to the Highway Department. When should we start plowing as to be a benefit to the most traffic - as it requires about 4½ hours to cover the town with four trucks, if there are no breakdowns. The grader is held in reserve just in case of a breakdown or a heavy wind that could block roads by drifting. Salt and sand is used on slippery roads as soon as help and equipment is available. Many times this is needed at night or early morning and is hard to get without a full-time department.

The Van Dyke Road project was completed, thanks again to the Wilsons; also, a bad spot on the Pine Hill Road was eliminated (Thanks Dick.)

The salt road experiment on Rideout Road was sealed with asphalt; also, a portion of Ranger Road was widened, - more should be done.

The 1½ miles TRA Project on Rocky Pond and Hayden Roads was completed with addition of more gravel, and an asphalt surface.

Grading was cut to a minimum due to the lack of competent help, and brush conditions are very bad for the same reason. There is nearly 60 miles of roads to rebuild and maintain in Hollis and the labor problem does not change for the better. I believe the reason for this is that a man can go into a shop or business out of town and receive more money and many benefits that the town does not provide, nor does he have to battle the elements outside that your Highway Department has to contend with.

We believe the answer to this problem is a three-man, full time department on a level with surrounding labor conditions, mainly money and benefits.

CHARLES J. DOW,
Road Agent

REPORT OF THE SELECTMAN

1967 has been an extremely active year for the Board of Selectmen. The population of Hollis has grown by nearly 50% from the 1960 figure of 1700, and the problems have increased in direct proportion. In the same period of time the school budget raised by taxation shows an increase of some 300%. The selectmen are painfully aware of the severe burden this places on young families and the retired alike.

In order to equitably raise the additional \$40,000 voted in 1967, all properties were re-examined in the light of higher prevailing market values. This resulted in an increase in taxable value of \$612,740 to a new total of \$6,366,139. The Selectmen feel strongly that the enactment of a broad based tax at the State level is the only solution to the plight of the overburdened property owner in New Hampshire today.

We were fortunate in obtaining the services of a competent janitor for the Town Hall, Mr. Ernest Pratt. He has done much interior painting and repairing in the building and we hope for an increased use of the Hall by the townspeople. He also rebuilt the caretaker's shelter at the Town Dump. He also has proved to be an excellent Dog Officer.

The Board is impressed with the high degree of efficiency of the Fire Department and wholeheartedly endorse their equipment requests. The Police Department under Chief Kenneth Bennett has turned in another fine year of dedicated community service at the lowest possible cost. The Highway Department under Charles Dow has met the challenge of expanding needs of the growing community, but we feel the department needs better equipment and more personnel.

The Selectmen apart from their regular duties have met periodically with the Planning Board, consulted with the Board of Adjustment and have taken under advisement various suggested revisions to the Zoning Ordinance. Let us state once again that a strong, well-administered Zoning Ordinance is the key to the future healthy growth of Hollis.

In closing we would call to your attention the establishment of the tennis courts as the top Community Achievement of the year, planned and directed by the Hollis Recreation Commission.

RICHARD WALKER, Chairman
RALPH J. HARDY
JEFFERY P. SMITH

ANNUAL TOWN MEETING – MARCH 14, 1967

The meeting was opened by Moderator Towne at 9:00 A.M. for voting under Article I, to choose all necessary Town Officers for the year ensuing. The polls were closed at 7:30 P.M. The business meeting was opened by Moderator Towne reading the Warrant. Prayer was offered by Rev. Philip H. Mitchell.

Moderator Towne paid tribute to two men recently resigned from the Fire Department, Erving Simonds who has served the department 45 years, 13 as Deputy Chief and Charles Dow who has served 27 years, 10 years as Captain.

ARTICLE 1 was passed until the votes were counted.

ARTICLE 2. Selectman Jeffrey Smith explained the budget. Any increase in Town Hall expenses will be for Janitor service. There is an increase on both the Police budget and the Fire Dept. budget due to an increase in salary for the communication center. Fire Chief Towne said that the added increase in the Fire Dept. budget was to buy hose and for Mutual Aid. Road Agent Charles Dow told of work being done on various roads and of the need for the Town to own a loader. The increase in the Street Lighting expense is because the Public Service Co. is to install new lights on Silver Lake Road.

Motion by Jeffrey Smith to accept the budget as printed with any additions that may be voted in other articles of the warrant.

Seconded. Carried.

ARTICLE 1. The results of the balloting was announced by Moderator Towne. In the only contest on the ballot, Richard Navaroli and David Wright were elected Deputy Fire Chiefs.

ARTICLE 3. Reports of Town Officers were accepted as printed in the Town Report.

ARTICLE 4. Motion by Wendell Wright to authorize Selectmen to borrow money in anticipation of taxes. Seconded. Carried.

ARTICLE 5. Motion by Charles Dow to accept State Aid for the construction of Class V roads and appropriate the sum of \$1,164.10 to pay the Town's share. Seconded. Carried.

ARTICLE 6. Motion by Deane Simpson to distribute blank inventories at the time of appraisal. Seconded. Carried.

ARTICLE 7. Motion by Elwin Hardy to raise and appropriate the sum of \$25.00 to be expended in co-operation with the N.H. Forestry and Recreation Commission for Forest Fire Protection. Seconded. Carried.

ARTICLE 8. Motion by Paul Sipe to raise and appropriate the sum of \$2,000.00 to be placed in the Capital Reserve Funds to be used toward the purchase of a fire truck. Seconded. Carried.

ARTICLE 9. Motion by Deane Simpson to assess a fine of twenty-five cents on each poll tax not paid on or before December 1, 1967. Seconded. Carried.

ARTICLE 10. Motion by Charles Dow to raise and appropriate the sum of \$500.00 to be placed in the Town Shed Capital Reserve Fund. Seconded. Carried.

ARTICLE 11. Motion by Jo Archambault to raise and appropriate the sum of \$500.00 to be added to the Police Cruiser Fund. Seconded. Carried.

ARTICLE 12. Motion by Erving Simonds to alter the present system of electing a Fire Chief and Two Deputy Fire Chiefs and in its place to elect a Board of Firewards consisting of three members. These three members are to be elected at the 1968 Annual Town Meeting as follows: One to serve for a three year term, one to serve for a two year term and one to serve a one year term. Each year thereafter one member shall be elected to serve a three year term of office. Seconded. Carried.

ARTICLE 13. Motion by Paul Sipe to approve the transfer of the management of the $\frac{3}{4}$ acre Webster Charlton lot to the Hollis Town Conservation Commission, subject to the aims and purposes of the Commission. Seconded. Carried.

Motion by Richard Devens to adjourn the meeting. Seconded. Carried. The meeting was adjourned at 9:45 P.M.

A true copy of record — attest.

BERTHA E. DUNCAN

Town Clerk

SPECIAL TOWN MEETING

APRIL 21, 1967

The meeting was called to order by Moderator Warren Towne at 10:00 A.M. at which time Moderator Towne declared the polls open for voting on the following: — To see if the Town will vote to amend the Zoning Ordinance as follows: (1) By striking out Paragraph 8 of Section 4 and substituting therefor the following: "Building lots shall have a frontage of at least 200 feet and shall be at least two acres in area. Only one dwelling unit may be erected on each lot."

(2) By adding to Section 4, the following: (9) Backland use for single dwelling shall be permitted, provided:

- (a) Each building lot shall be at least 4 acres in area. Only one dwelling unit may be erected on each such lot.
- (b) A minimum frontage on a public right of way of 20 feet for each dwelling on each 4 acre lot.
- (c) No building shall be erected on backland under this regulation closer than 200 feet from an existing public right of way.

(3) By striking out Regulation 2 of Section 6 and substituting therefor, the following: "Dwellings will be permitted on lots with at least a 200 foot road frontage, and where applicable, at least a 200 foot water frontage and an area of at least one acre and also provided that no building shall be located closer than 25 feet from the nearest existing edge of the public right of way or closer than 15 feet from the rear and side lot lines or closer than 50 feet from the high water line. Only one dwelling may be built on each lot. Where seasonal dwelling is converted for year-round living purposes it must conform to the same minimum frontage and area provisions which apply to residences in district 1."

(4) By striking out Article 4 of the Building Regulations and substituting therefor, the following: "Residential buildings shall have a minimum of 800 square feet of ground floor area exclusive of unenclosed porches and attached garages. Dwellings in the recreational area for seasonal use shall have a minimum of 800 square feet of ground floor area. Residential buildings providing accommodations for more than one family shall have at least 800 square feet of floor space in each family unit."

The polls were closed at 7:05 P.M.

The vote was announced as follows:

- | | | |
|-----|-----------|---------|
| (1) | yes — 194 | no — 84 |
| (2) | yes — 184 | no — 93 |
| (3) | yes — 219 | no — 58 |
| (4) | yes — 209 | no — 68 |

The meeting was adjourned at 7:30 P.M.

A true copy of record - attest.

BERTHA E. DUNCAN

Town Clerk

HOLLIS PLANNING BOARD REPORT FOR THE YEAR 1967

Amendments to the Zoning Ordinance initiated in 1966 were reviewed at two public hearings and accepted as recommended by special ballot on April 4, 1967. These included:

1. Revision from one acre to two acre building lots.
2. Use of four acre backland lots.
3. Increase in recreational lot and frontage requirements.
4. Increase in floor area requirements for recreational and multi-family buildings.

Copies of the Revised Zoning Ordinance are available in the Selectmen's office.

In May Mr. Lee Borden, County Soil Conservation Service, showed slides of soil maps of various towns and discussed the possibility of completing such a study for Hollis. We found that approximately 30% of town has been mapped in recent years.

Consideration is now being given to a comprehensive town plan prepared by an outside consultant. Members of the Board are meeting with other town representatives where similar plans have been completed. One controlling factor may be the necessity to have such a plan before government financial aid can be received.

Several other meetings were held to review building lot and subdivision plans. Any member of the Board may be contacted to arrange a meeting to review such plans or discuss any facets of the Planning Board responsibility leading toward the orderly growth of the town of Hollis.

DANIEL BROCKLEBANK, Chairman
HOWARD HUNT, Clerk
RICHARD WALKER
ELWIN HARDY
WILLIAM HOWE

ZONING BOARD OF ADJUSTMENT

The Board of Adjustment held four regular hearings during 1967. The following action was taken: granted to Caldo Cristefari, Flint Pond Drive a side yard variance for the addition of an open carport to existing camp. Granted to Ralph Towne for the Meeting House Realty Corp. a side yard variance for the addition of a room on the north east corner of the Meeting House on Monument Square. Granted to Charles Skillas, Flint Pond Road a side yard variance for addition to camp. A hearing was held regarding a trucking operation conducted by Peter Bell on Depot Road. A decision on the case was postponed pending clarification of standing. The Planning Board made a referral for discussion of use of a lot on Flint Pond Drive by Ed Watson and the use of right of way thru the Parker Bradley land. It was decided that no variance was required for either of these as they would not be in violation of the ordinance.

In order for the Board of Adjustment to act on a variance request, forms should be procured from the Building Inspector, properly filled out and presented in advance to the Chairman or Clerk of the Board of Adjustment. This procedure will avoid delays and prevent the need to hold a second meeting on the same requests.

REPORT OF THE HEALTH OFFICER

1967 has again been a busy year. The number of complaints, both real and imaginary, continues to increase over past years. In most instances, bonafide problems of one sort or another have been investigated and resolved at the local level. In a few instances it has been necessary to call upon the authority of the State Health Department to force compliance with the law.

I wish to thank the Selectmen of Hollis for their continuing cooperation and assistance.

HENRY C. FORRESTER, M.D.

REPORT OF THE TOWN AUDITORS

This certifies that the undersigned have examined the accounts of the Tax Collector, Trustees of the Trust Fund, Trustees of the Hollis Social Library, Town Clerk, Town Treasurer, Conservation Commission and Board of Selectmen and find them to be correct.

ANNUAL REPORT OF DOG OFFICER

I took over the duties as Dog Officer on April 10, 1967, and I have handled 82 dogs. 37 of these I have placed in good homes. I have had to dispose of 45 injured or unclaimed dogs. This includes 10 dogs hit and killed on highways. In addition, I have had 57 complaints of dogs doing damage or making a nuisance of themselves. I constructed, for the town of Hollis, a moveable dog kennel with eight separate pens.

ERNEST G. PRATT

Dog Officer

RECREATION COMMISSION REPORT

Monthly meetings were held and emphasis was on continuing youth and adult programs already established.

Lines on upper Town Hall floor were repainted and a post for a volley ball net was installed.

Mrs. Harold Hills was reappointed to the commission.

Two tennis courts with lighting and a basketball court were constructed by the Hollis Recreational Trust with private funds. The court will be turned over to the Town in 1968.

This recreation area on Nichols Field has already been enjoyed by many townspeople and a successful tennis tournament was held under the direction of the tennis committee.

The commission is applying for State Aid under the Federal Land and Water Conservation Fund Act of 1965 to complete the playground plans as shown on the first page of the 1966 Town Report.

The secretary reports a balance on hand of \$120.00.

HOLLIS CONSERVATION COMMISSION REPORT

The character of Hollis rural. Our Town, set among rolling hills, has large open areas — woodlands, orchards, wetlands and fields, intimate winding roads and a distinctive old New England village green.

Hollis has begun to feel the impact of population growth and urbanization although much of our area remains intact in its natural state. Our population, now over 2400 has been increasing markedly over the past decade.

No community which is situated near a major interstate highway and is within commuting distance of a large metropolitan area and a growing industrial city can expect to continue indefinitely without growth and change. The question you must answer is, do you wish to keep the present character of Hollis and if so how. Can we conserve that open-space rural character and at the same time provide for a balanced development of new residential and commercial areas.

Our Planning Board deserves warm praise for having developed a Zoning ordinance of which we all can feel proud. It is, we believe, an accurate reflection of your desire to maintain the open-space character of Hollis, but the fact remains we do not have a comprehensive master plan to cover the future development of our town. We should have some idea of what lands are best suited for retention in their natural wooded state; the swamp and wetlands which need to be preserved to protect our water supply; the design and location of new housing developments and commercial areas.

Conceivably it might be better to allow a concentration of housing in those areas found to be suitable through soil and drainage studies than it would be to have houses spread all over town as the result of an acreage restriction. Certainly town services such as school busing, police and fire protection would be more economical in a concentrated area. Also the preservation of open areas under such a system would be more possible of attainment.

The Commission is undertaking, with the help of the State and other Town organizations, to develop a plan of action for the consideration of town boards and committees, after which it may be feasible to call upon experienced professional consultants for advice and guidance in the

development of a final plan for the controlled growth of Hollis.

We also feel it important to acquire land, as soon as possible, preferably along a water course, for future use as a town recreation area.

May we remind you that cash and the fair value of land given to the Conservation Commission are deductible contributions on your Federal Tax Return.

CEMETERIES

The summer of 1967 was one of the fastest grass growing seasons in a long time. Usually in July and August there is very little need for mowing, but this season we had to mow every week all summer. This required more hours than could be given on a part time basis, I hope that every one was satisfied.

The cemetery department purchased two new small power mowers this year.

Some vandalisim was done at the East and Pine Hill Cemeteries. I would like to remind the public that no one is to go into any of the cemeteries in the Town of Hollis for the purpose of putting in foundations, cemetery stones, removing stones or doing any lettering without first contacting and securing permission from the Sexton.

PAUL A. BOSQUET
Sexton

PARKS AND PLAYGROUNDS

I wish to thank the women in town that took part in the planting of shrubs around the monument and memorial stone on the Common. I am sure all the Towns people will agree with me that it has added much to the beauty of the Common.

As I mentioned in the Cemetery Report grass cutting was also a problem for the Parks and Playground Department. Many hours were required to keep Hollis looking trim.

Elm Street

Milford, N. H.

673-2202

Amherst - Brookline - Hollis - Milford - Mont Vernon

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Hollis qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eleventh day of March, 1968, at eight o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

2. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

5. To see if the district will vote to authorize the School Board to make application for and accept on behalf of the school district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire or from any other source.

6. To see if the district will create an AREA Planning Committee and to elect members thereof, or determine that they shall be appointed by the Moderator.

7. To see if the district will vote to authorize the School Board to appeal to the Supreme Court for a Special School District Meeting to be held on or about the 10th of June, 1968 to vote on a proposed addition to the Hollis High School.

8. To see if there is any other business to come before the meeting.

Given under our hands at said Hollis this eighth day of February, 1968.

FRANK WHITEMORE
DOROTHY F. COLSON
LAURIE L. HARRIS

ADMINISTRATIVE SCHOOL REPORT

To the Citizens of Hollis:

This year, we will break from tradition in our annual school report. In an attempt to give you a more concise preview of our educational progress, we will incorporate the reports of the administrative staff and school board report into one general report.

In summarizing the highlights of our 1967-68 school year, it is difficult to establish an order of importance, since many events and activities have played an important role in our drive towards quality. One of the more important highlights is the performance of our teaching staff. We have been extremely fortunate during a period when communities are facing extreme hardships in procuring teachers, to have received our share of very well qualified staff members. We realize there have been some weaknesses, but every effort has been made to correct these weaknesses, and your board and administrators are very much aware of any deficiencies that exist.

A second important highlight is the success of our Merit Salary Plan. The program has been well accepted by the teachers and is one of very few in the United States that is operating effectively. The objective of our Merit Plan is to reward quality teaching and, in so doing, continually refine the calibre of teachers that are recruited to our system. Each teacher is evaluated several times by the administrative staff. Conferences are conducted twice each year by administrators to review the standing of each teacher. The resultant product of these efforts is a continual move towards quality instruction.

Another development of significance has been the cooperative projects that were established with industry. This year, Sanders Associates is working on a math project with our senior high school youngsters and has continued to support our Special Writing Project.

The Union # 40 Curriculum Council is continuing to progress. Presently, twenty-five teachers from throughout the Union serve on this body and advise the administrative staff in areas of curriculum. This summer, the Council developed course outlines in Math, Science, Language Arts and Reading. During the months of February through March, they will sponsor an in-service course entitled, "Education at the Extremes". This course will be designed to improve skills for teaching slow learners and gifted pupils.

The above mentioned are but a few of this year's accomplishments. Others will be incorporated in our discussion of the specific levels.

This year, we appointed a new principal at Hollis High School and the high quality of Mr. Desmarais' work has spoken for itself. I feel the

community is indeed fortunate to have the calibre of administration that it presently has at both the elementary and secondary schools. Mrs. Jacques and Mr. Desmarais are to be congratulated for their outstanding efforts. Mr. Lawton, our Teacher Consultant, has continued to work closely with the elementary staff, and his efforts have made a strong impact on the overall improvement in the elementary program of the Union # 40 schools.

The observations of the above mentioned will be included in the report that follows. To these people and the members of our staff, I wish to express my appreciation for a successful year. All of them join me in commending the School Board for the loyalty, dedication and unselfish efforts they have made in support of quality education in Hollis. It has, indeed, been a pleasure to serve such a fine School Board.

JOHN A. MURPHY, JR.
Superintendent of Schools

ELEMENTARY SCHOOL

Our elementary school population numbered 331 on opening day, September 6, 1967. With several transfers and new pupils registered, our enrollment as of December 31, 1967 was 340.

We have a fine staff of experienced teachers this year. Our new staff members:

Mrs. Janet Demers	Special Class Teacher
Mrs. Gail Temple	Levels 9 — 10 — 5'
Mrs. Jane Mercier	Levels 9 — 10
Mrs. Christine Langille	Teacher Aide

This year, we were fortunate to have the opportunity to open up our own special class. We are using our present health room to house the special class students and have moved the health room into the hall. The special class has developed well this year. A special curriculum has been developed for the individual child.

Space continues to be a problem this year with class sizes to thirty-two pupils. We are looking forward to alleviating this problem when our new addition is completed.

The extension of the cafeteria would also have been an asset to our physical education program. We now include pupils from grades four, five and six in our physical education program under the direction of Mr. Lou Korcoulis. It was hoped that this will extend from grades one through six. During good weather, the classes would be held out-of-doors, but during the winter months indoor activities will be curtailed due to lack of facilities.

Our new library will double as a classroom as we attempt to break our fifth and sixth grade classes into five groups instead of the four large groups of thirty-two students that have developed during the year.

We began the first few days of our school year without a speech therapist. We now have Mrs. Charlotte Saxe, Speech Pathologist, on a part-time basis.

A need was seen in the field of an elementary school foreign language. French has been introduced to our fifth and sixth grade students this year. Our French teacher, Miss Noella Pichette, meets with the fifth and sixth grade classes three times per week. The students have learned conversational French and have begun to develop a flair for the language. As the students' background is developed, a more varied program will be offered.

Mr. Harry Tong continues his fine work as music teacher for grades one through six. Our art department is developing well under the continued direction of Mrs. Barbara Arnold.

Mr. Richard Cardner joins our staff as Elementary School Guidance Counselor for Supervisory Union # 40 replacing Miss Nancy Mauri.

Another member of the Supervisory Union # 40 staff is Mrs. Lillian Barton, Reading Consultant. Mrs. Burton visits us weekly on a consultant basis aiding the staff in developing ways to alleviate reading problems, giving demonstration lessons and testing the individual child for diagnostic purposes.

Mr. William Munroe, custodian, continues to do a fine job in the maintenance of our building.

Our cafeteria manager, Mrs. Elsie Towne, assisted by three cafeteria workers and volunteer workers, continues to manage an excellent lunch program serving lunches to approximately 60% of the student body.

Our health program continues to be successfully administered under the direction of Miss Pauline Woods, school nurse. Pre-school clinics, hearing and vision testing of all children, dental health, first aids and home visits continue to fill her schedule.

Some of our ACTIVITIES — — —

The new year brought our students from grades three, five and six into the Lorge Thorndike Tests of Intelligence schedule. These tests were completed during the month of February.

Our Dental Health Week activities were held during the week of March 20th with a program of dental health being developed for all grades. This program was under the direction of Mrs. Sherman Davis, Jr., Dental Hygienist, assisted by the school nurse.

During the month of April, our pre-school clinic was held. Physical examinations were given by Dr. Henry Forrester, school doctor.

Our annual pre-school luncheon took place in May. Incoming first grade students and their parents attended this affair. The incoming students become acquainted with school routine as they follow cafeteria routine and then observe the first grade classes in session on that day.

Our annual Sixth Grade Science Fair highlighted the month of May this year with Miss Nancy Archambault taking top honors for her work on "Effects of Smoking on Mice". Achievement testing for pupils in grades one and two culminated the activities for the month of May.

In June, our annual Field Day was popular as a more detailed program was held for the students in all grades.

Fall days approached with activities continuing — — —

September Mental Maturity and annual Reading Readiness tests for first grade students.

October Physical examinations for Special Class, students in grade four and all new students.

November

Sixth grade students attended Boston University Sargent Camp to participate in an exciting week of outdoor education. The students were accompanied by Miss Dorothy Welch, science teacher, and Mr. Charles Smith, mathematics teacher.

Annual Open House during American Education Week.

Participated in Union wide Iowa Basic Skills testing for grades three, four, five and six.

SECONDARY SCHOOL

We have been very fortunate in securing versatile people with many interests which is so vital to a small high school to replace those teachers who left our system. The staff has placed a great deal of importance on the techniques which foster the individualization of instructions. A quality school is responsive to the individual members of its student body. Through study, imagination and energy, we hope to move closer to this goal of a personalized curriculum.

A good curriculum is responsive to its environment. Part of this responsiveness comes from being acquainted with the community. We have been fortunate in building toward this end. A community-related school seeks more than understanding alone, but it systematically develops an inventory of resources, people and institutions. I would like to thank all of those who have helped in making progress toward this need of inter-responsiveness.

ENROLLMENT

School Enrollment: Grade 7 — 59 pupils; Grade 8 — 63 pupils; Grade 9 — 53 pupils; Grade 10 — 39 pupils; Grade 11 — 43 pupils; Grade 12 — 36 pupils. Total 11.8 percent over last year.

AWARDS OF INTEREST

Ethel Hill and Kathleen Deighton were chosen Valedictorian and Salutatorian respectively.

Dollar for Scholar Awards: Maurice Allen, Marjorie Hayden, Ethel Hill, Heather Neary, Wendy Sullivan and Richard Wright.

Heather Neary, Richard Wright and Marcia Allen were awarded the Student Council Scholarship.

Class of 1967 Award: Wendy Sullivan and Richard Wright.

John Hills Memorial Scholarship was awarded to John Cleary.

Hollis Woman's Club Scholarship to Marjorie Hayden and Richard Wright.

CLASS OF 1967

Thirty-two seniors were graduated in June of 1967. Twenty-eight are continuing their formal education, one is in the service, two are employed and one is at home.

Allen, Marcia	Marshall University
Allen, Maurice	Nashua Business College
Amidon, Arthur	University of New Hampshire

Simpson, Andrew	Hiram College
Spaulding, Virginia	Electronic Data Processing Institute
Sullivan, Wendy	The Catholic University of America
Watson, Lynn	Employed
Wright, Richard	Northeastern University

ACCOMPLISHMENTS

1. The health course has been replaced by the comprehensive course in psychology and physical health.
2. Project Write began in January with Professor John Yount of the University of New Hampshire.
- 3: Humanities IV - grade 10 - an intergration of English 10 and History of Civilization has been introduced into the curriculum.
4. Personal Typing is now meeting three times a week instead of twice.
5. Reading programs have been incorporated into the senior high school level.
6. Mr. Tudor Richards and Mr. Jeffery Smith have been working with the science classes on field trips and a plan is being devised to improve the school's 12 acre woodlot through proper management.
7. Our Advanced Math IV class is being taught by Mr. Arne Benson an outstanding mathematician who is presently employed by Sanders Associates. Mr. Wilbur Mosier, also a Sanders employee, will teach calculus to this same class the second semester.
8. Mrs. Pitman has given the girls physical education classes instructions in tennis both in school and on the new tennis courts. Mr. Marvell provided transportation to and from the courts.
9. We are presently working on an exciting joint pilot project with Sanders Associates. Our Computer Programming and Advanced Math IV classes travel to Sanders where the students are provided with teletypes that are connected by phone line to the computer located at Dartmouth College. Technical assistance and instructions are provided by Mr. Wilbur Mosier and Mr. Allen Ryder of Sanders Associates.
10. Mr. William Lary, guidance counselor, has been working closely with the sixth graders in the elementary school to better prepare them for their transition to the high school next September.
11. The relocation of the drafting tables out of the shop to provide needed work space and the creating of a drafting room in the basement of the old building.
12. The aquisition of a video-tape recorder from private funding. This will make possible the recording of education television programs and showing them when desired. It also makes possible the recording of our own productions such as lectures, demonstrations and classes of interest. This program should be fully implemented by the end of January.

13. Remodeling our present book and supply storage room and using it for an Audio-Visual Aid Center.

14. The use of a teacher aide and an assistant teacher which allows more effective use of our teaching staff.

15. The removal of study hall students from regularly scheduled classes.

16. The school library has been open four evenings a week thanks to the Hollis Mothers Club.

17. Adding the teaching of reading by our reading teacher in the regular ninth grade English classes.

18. Plans for a more effective intramural program in the Spring.

19. The publication of a School Newsletter for the community.

20. The elimination of the Senior Class Washington trip which will subsequently reduce fund raising and class dues.

21. Team teaching has been incorporated into several areas of the curriculum.

22. Our sports schedule has been expanded to meet the needs of our students.

23. A more effective student government has been instituted.

FUTURE NEEDS

1. More teacher stations are needed. During the academic periods, we are presently utilizing 100% of staff and plant. A study should be made immediately to make sure that adequate classroom space will be available to meet the future needs of the community.

2. The team teaching that was possible throughout the program in the beginning is becoming impossible when two teachers handle a class of more than fifty. These classes can no longer meet as a single unit.

3. Class sizes are increasing in numbers to the point where additional grouping is mandatory. This will require additional staff to do a good job with the curriculum as it is written.

4. Certainly, the small secondary school has an acute need for the advantages technology can contribute. With fewer human resources on its staff, the small high school must strive to extend, expand and preserve, by technological methods, those human resources it does have. It also must use such means to bring other human resources into its classes.

CONCLUSION

To the citizens of Hollis, we express our appreciation for continued support.

SYNOPSIS OF SCHOOL MEETING

March 13, 1967

The annual meeting of the Hollis School District was called to order at 8:15 in the Upper Town Hall by Moderator Towne with about 300 voters present. Towne gave a brief description of parliamentary procedure. Rev. Mitchell offered prayer. Moderator Towne ruled that in all ballot votes the check list must be used.

Article 1. Warren Towne was elected Moderator.

Article 2. Kenneth Trow was elected Clerk.

Article 3. Laurie Harris was elected a member of the School Board for the ensuing three years.

Article 4. Kenneth Trow was elected Treasurer.

Article 5. Voted to consider this under Article 11.

Article 6. Voted to accept the report of the Kindergarten Committee as printed in the Town Report.

Article 7. Voted to accept the reports as printed in the Town Report.

Article 8. Edna Hill and Clarence Howe elected Auditors.

Article 9. Voted to approve the position of Business Manager for Union # 40 and to accept State Aid for that position.

Article 10. Voted to pass over this article and act on it after Article 14.

Article 11. Voted to raise the sum of \$423,511.00 for support of schools, for payment of salaries of school district officials and agents, and for the payment of statutory obligations of the district.

Article 12. It was voted that the district authorize the School Board to make application for and accept on behalf of the school district any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire or from any other source.

Article 14. Voted to table this article.

Article 15. Voted that this meeting be recessed to meet again at Walters Auditorium on April 19, 1967 at 7:30 P.M. for the express purpose of acting on Article 10 of the School District Warrant or any other unfinished business.

Respectfully submitted,
KENNETH G. TROW, Clerk

SYNOPSIS OF RECESSED SCHOOL MEETING

April 19, 1967

The recessed meeting of the Hollis School District was called to order at Walters Auditorium at 7:45 P.M. with about 450 voters present.

Article 10. It was moved that the sum of \$308,000 be appropriated for constructing and originally equipping and furnishing additions to the Elementary School and the Secondary School; that to raise this appropriation the school board be authorized to borrow \$308,000 under the Municipal Finance Act; that in addition to the foregoing appropriation the school board be authorized to apply any state, federal or other funds towards the foregoing purposes according to the terms under which such funds are received; that any interest received shall likewise be applied for such purposes; and that the school board be authorized to take all action necessary to carry out this vote. There were 374 votes cast. Necessary to carry the motion 250. 191 voted yes and 183 voted no and the motion was defeated.

It was moved that the sum of \$170,000 be appropriated for constructing and originally equipping and furnishing additions to the Elementary School; that to raise this appropriation the school board be authorized to borrow \$170,000 under the Municipal Finance Act; that in addition to the foregoing appropriation the school board be authorized to apply any state, federal or other funds towards the foregoing purposes according to the terms under which such funds are received; that any interest received shall likewise be applied for such purposes; and that the school board be authorized to take all action necessary to carry out this vote. Total votes cast 300. Necessary to carry motion 201. Total yes votes 226. Total no votes 74. Motion carried.

The meeting was adjourned.

Respectfully submitted,
KENNETH G. TROW, Clerk
